Koonwarra Village School (KVS) offers a carefully crafted approach to schooling for children from Foundation to Grade 6. The school delivers the Australian Curriculum in a creative and integrated way, including a special focus on the core principles of attaining self-actualisation, connection with nature and people, and autonomy and shared decision-making. At KVS we feel when families appreciate and support these principles that the foundation is created for a good match between their children and the school. It is important that prospective parents are aware of these principles as they are expressed in our School Philosophy and Guiding Principles documents.

KVS is intended to be a small school with a maximum enrolment of 65 students. Enrolment at the school will only be offered after careful consideration of the likelihood of a successful match between the school's unique environment and approach to learning, and the needs of the student. (The School Coordinator may request information from the child's kindergarten or previous school to help determine this.) After reading and considering the school Philosophy and Guiding Principles, parents will be invited to meet with School Coordinator to take a tour of the school and explore the likelihood of a match between their child(ren) and KVS. The range of factors listed below will influence which children will be offered a place.

Factors Determining the Offering of a Place in Foundation level

- Parents' willingness to accept the philosophy and guiding principles of the school
- Demonstration of School Readiness in the areas of:
 - Self-control, coping and problem solving
 - Confidence
 - Empathy, communication and sharing
 - Concentration
- Whether the KVS approach will match the child's learning style
- Participation in the KVS Transition Program
- Age
- Siblings enrolled at the school / children of KVS staff
- Regular attendance at Playgroup

Factors Determining the Offering of a Place in Grades 1-6

- Parents' willingness to accept the philosophy and guiding principles of the school
- Whether the KVS approach will match the child's learning style
- Successful trial period (minimum 2 weeks)
- Siblings enrolled at the school / children of KVS staff

Enrolment Timeline

31 st July	Last day that Round 1 expressions of interest (EOI) will be accepted for enrolment in the Foundation class of the following year. Enrolment applications will be considered after this date at the discretion of the School Coordinator.
30 th August	Invitations will be sent for the KVS Foundation Student Transition Program.
September-October	KVS Foundation Student Transition Program sessions. 31 st October Families receive confirmation (or otherwise) of child's place in Foundation for the coming year. (This will be based on the child receiving a positive assessment for school readiness and match with the KVS approach, which will be made during the first stage of the school's Transition Program.).
14 th November	Enrolment Form & Enrolment deposit must be received to hold any places offered

Note: An interview and completed EOI do not guarantee a place at the school, even if there are classroom places available. In most years we have more applications for places than we can accommodate.

Other Enrolment Guidelines

As an independent primary school, KVS relies on a combination of government funding and tuition fees paid by parents in order to cover its operating expenses. Our current School Fee Policy does not include discounts for multiple children enrolled from a single family or personal financial hardship.

KVS students do not currently access the public school bus network, although through the school, eligible families receive the Student Travel Conveyance Allowance each term. There are often informal car pool arrangements between KVS families, however, parents are asked to carefully consider the potential impact that regular to and from school travel will have on their families prior to lodging an EOI.

A deposit of \$150 per child or \$250 per family (where more than one child is applying at the same time) is due within two weeks of the offering of a place at KVS. This deposit will appear as a credit on the family's first school fee invoice or will be forfeited if an offered place is not taken.

A student's enrolment may be cancelled due to the non-payment of school fees; as a result of the implementation of the school's behavior management policy, or with the agreement of the parents.

The Enrolment Form must be completed in full including the immunisation status of your child. It is a legal requirement that a parent/guardian declare their child's immunisation status on enrolment and we ask families to do this by providing an immunisation history statement from the Australian Childhood Immunisation Register.

The final decision regarding acceptance / non-acceptance of each enrolment application is with the School Coordinator. Parents may refer to the school's Concerns and Complaints Policy should they choose to appeal the decision.
