Impromptu Excursion Permission

to travel: (please tick)

- on foot
- to be transported by vehicle

Comments

Signed: _____

Date: _____

*For all pre-planned excursions, KVS Parents will be advised of specific details of the intended activities, travel arrangements, timing etc, and parental permission must be received before a child can attend.

There will also be times, however, when children will have the opportunity to attend **impromptu** off-site activities in the local area e.g. a walk in a nature reserve in Koonwarra, where, due to the relatively immediate nature of the excursion, it is impractical to request parental permission prior to undertaking the activity.

Your responses in this form will be used to determine the level to which your child(ren) can participate in these impromptu excursions. Impromptu local excursions may be taken on foot or in our minibus and will always be supervised by a Mentor.
